

Reiki Master Level

The reiki master level is the highest level in reiki training, as well as being known as the teacher level, it is a highly personalised process and conducted mostly one-on-one for the highest benefit of the student. This course is perfect for those who wish to pass on this energy to others, both as a healer and teacher and for anyone that is wanting to deepen their own healing journey and understanding of their true Self and purpose.

The mastership training is conducted over a minimum of 30hours for a period of approximately 6months at times to suit. (Length may vary depending on students needs). During the training you will:

- ✓ Receive the master attunements, further attuning you to sense and channel the full reiki stream of healing energy.
- ✓ Learn how to attune others through all the reiki levels, including the master level itself.
- ✓ Receive the master manual, the reiki 1 and 2 manuals (digitally, so you can tailor them to your own style for teaching)
- ✓ Learn how to conduct and teach your own reiki courses
- ✓ Receive healings over the duration of the course, to better come into touch with your higher aspects and purpose, identifying and releasing blocks along the way.
- ✓ Give reiki healings being shown advanced, effective channelling techniques
- ✓ Receive guidance on to how to conduct reiki sessions in a professional manner and setting including how to convey intuitive messages to your clients
- ✓ Learn powerful symbols for use in your healing sessions and trainings
- ✓ Learn how to effectively cleanse a room energetically
- ✓ Learn advance meditation techniques and how to teach and guide meditations
- ✓ Assist in at least one of my level 1 & 2 trainings to help you gain insight, experience and confidence in holding future courses yourself. (In addition to the 30hrs)
- ✓ Above all, fundamental to the mastership level, is self exploration and healing. I'll be there to guide you through this wonderful and fully transformative experience, including any guidance you may need after the official course ends.

Investment:

\$550 per month for 6months.

*Note: Some students may complete sooner or need longer, some masterships can take up to 2years to complete.

My own process of mastership was over a period of 6months with Healer/Astral traveller/Author - Greg Doyle who follows the highly regarded, direct traditions of the Dr Mikao Usui Lineage of Natural Healing. This journey left my heart bursting with the love of Reiki and the yearning to train others in this wonderful art of healing. I felt healed, whole and complete and truly connected the divine source of energy and my life purpose.

I am so excited for life and am constantly amazed at the transformations I witness in these reiki courses. It's such a joy and honour to pass on this beautiful healing modality to others.
